To Whom It May Concern:

This letter is my formal recommendation for Mr Aw Sen How (NRIC: S8477616E). My Company has been appointing Ecovis Bizcorp Management Pte Ltd to handle our accounting, GST and Tax filling since January 2013. Mr. Aw who was currently serving at the said company as an Accountant was working closely with me to handle our accounting-related matters.

He did an excellent job in this position and I was impressed by his dedication in supporting us and the tremendous effort taken in meeting the datelines that were set. He is also generally receptive to feedbacks and has also taken the initiative to provide advices automatically when the situation deemed necessary. During periods like closing of accounts for financial year end, he proved his ability to work effectively and efficiently under pressure.

Having a pleasant personality, Sen How is sociable and well organized. His easy going disposition has resulted in a warm working relationship with the staff.

In view of his dedication and ability, we are confident that Sen How would be an asset to any organization. It is a pleasure that we recommend him wholeheartedly for any endeavor he chooses to pursue.

We enjoyed working with Sen How and wish him every success in his future career, in which we are sure he will excel in.

Sincerely,

Benjamin Liu
General Manager
