Our Cooperation

Dear Jason,

Speexx | digital publishing AG is a global provider of language training via Blended Learning Service. Our solutions enhance communication skills of people in large businesses and organizations around the world. Speexx is a growing and ambitious international company, with subsidiaries and offices on all 5 continents and more than 120 people.

The concept of financial structures in all subsidiaries comprises to cooperate with domestic accounting services, payroll services and tax consultants.

This is to confirm, that we experienced outstanding financial services with Ecovis Bizcorp Management Pte. Ltd., Singapore. From the very beginning of our cooperation we enjoyed excellent expertise, extraordinary results and unique accuracy.

We meanwhile had to restructure our Singaporean engagement and move to Malaysia for organizational reasons, but we would like to express our highest appreciation for your services and thank you for this very successful and efficient cooperation!

Best regards

Speexx | digital publishing AG

Harald Dollinger
Head of Finance and HR
